Music / Film Company Movie synopsis: Siddhma Lakshman and Amrita, who is in love, are happy to have a friend who loves them and thanks to whom they have a successful start to their journey, but when it comes to marriage, he suddenly disappears. Deep feelings and suffering are associated with this loss, which plunges the girl into a state of acute grief. But suddenly, in the midst of grief, Amrita receives a message that awakens in her hope and confidence in her love. Julie 2 will continue the story of the girl Julie, who from a young age led an absolutely immoral lifestyle. In love with the taxi driver Siddhu, she only once received an invitation to a very famous, large house for wedding ceremonies. However, all her dreams of marriage to a great man are shattered by the possibility of marrying a young girl and a rogue, who may well be her niece. Pulled out of the stone, her fate turns to her from an unexpected side and she finally gains the opportunity to follow her dream. The film, like all such films, is built on a love story, but this story is different, so we can safely call Julie 2 a multi-genre picture. And even one more camera work. The entire film is directed by Deepak Shivwasani, who, by the way, is the screenwriter of Money for Two. In addition, the film features such stars as: Raj Kapoor, Aamir Khan, Ajay Devgan, Jeeva Pandey, Shannan Pal, Rukji Mujahi, Rao Tharu Singh, Abhishek Bachchan, Rainish Lakshmanath and many more. As for the staging of some scenes, such as taking the bride hostage in a restaurant, here we see a strong contrast with the scenes in which the wedding takes place. Film director
