The hinterland of Uttar Pradesh, popularly known as the land of milk and honey, is the place where Bollywood films are made. Each film shoots within a particular region. Vidya Balan has played a heroine in films such as *Chhaya* and *Deewana*. But she had toiled in small films and TVCs. Before an actor reaches this level, he has to go through a lot of trials, hardship and struggle. *Kahaani*, a thriller, was a very difficult film, but Vidya was a good actress who had dealt with difficult films in the past. The second half begins with the introduction of different characters. But Vidya chooses to focus on Kanti. A young girl plays a supporting role. That is her special thing. When she steps into a movie, she doesn't want to do anything else. *Kahaani 2* Movie Review: When an influential woman from Agra goes missing, the story unfolds. Anupam Kher directs and narrates the story. In the first half of the film, we follow how a woman named Jagdish Gupta goes missing from her house in Agra. This is a story of how the past can come to haunt us and how we can't keep the love for the past alive. In the second half of the film, we follow how a woman named Ashwini Chauhan goes missing from her house in Agra. This is a story of how a husband tries to reconnect with his wife who seems to be completely different from the person he knew before getting married. The story, as far as character is concerned, is what we have seen before. In the beginning, we have a story of Kanti (Vidya Balan) getting married to handsome Raj (Jugal Kishore). Kanti is a young teacher and is very happy with her marriage to Raj. The wedding is not a very big occasion, but the family celebrates with great fanfare. The grandeur of the wedding only brings the darkness and bitterness of the past back to the couple. Vidya Balan plays a school teacher who is married. After all, her husband is a famous cricketer. But, the truth is the school teacher herself and her dark personal past. Kanti was the loved daughter of a rich, respectable family. However, her father met with an accident when
