June, 14 2018 easy clocking ui 4.0 Easy Clocking UI Amazing collection, but the author didn't explain step by step how to use each individual icon. Every icon is a 'big picture' icon, so it's difficult to distinguish it from a theme or other icons. You have to take a second look every time to make sure they are unique icons and not themed ones. If they are simple, it's no big deal, but it would be better if the author explained some complex icons to make them easier to recognize. May, 20 2018 Create an animated desktop clock 4.0 Create an animated desktop clock I had difficulty using the configuration settings to change how the clock appears on the desktop. To add a clock to your desktop, the program requires you to specify information about the clock, such as the date, time, and unit
