Finally we had no more orders. The woman and her husband had drifted over to some other people from the bar; the other bartender had come over and lifted our fellow-customer out of her stool. The woman beckoned the husband away with her hand. We don't know what they talked about, we didn't listen. The bartender placed an empty tray under another empty tray. I was suddenly pretty sleepy and started looking around for the man with the microphone. I wasn't disappointed to find that he'd already left; I'd been counting on just this, hoping to be able to doze off until the show was over. I looked at the woman, who was sitting on the edge of the bar with her elbows on her knees and her head in her hands. They'd been drinking beer, and she was drunk. I looked at the bartender, who had turned his back on us. That would have to do for the moment, I thought. Finally it was all over. The bartender tapped on my wrist. "Cheers," he said, and I nodded and headed off to the men's room. I came out, wiped my mouth, and went out the front door to wait for the van. It didn't come

Here is a tweet from a regular user, which was attributed to @bbcmedia on the 23rd of January, which nicely explains why the PDF's were not available for download until Thursday morning. So how was this supposed to happen? I assume the POI analysis led to the fact that this PDF is not a "publication", and that the government required it to be classified as such. 3e33713323
