

Professional. Find the right option for your needs. Check out our list of product offerings to see which version of Windows 10 meets all your needs. It even has desktop apps and gaming add-ons like Office and Skype. Take care of your data. To keep your files safe, follow two simple steps. During the initial setup of Windows 10, click the "Start" button in the Windows 10 setup program. This will help synchronize app data with your account so that it works properly while you set up your PC.
