You'll need to install SIMetrix, SIMetrix/SIMPLIS, or our free versions first. Then you need maps, maps. If you are using a GSM card, you will receive all the cards that are included in the SIMetrix delivery. Set up the map. You can set up the card in different ways, but you will need to set it up according to the GSM card you have purchased. Set it up on your computer. Open the map settings file by clicking "Maps" in the SIMetrix editor. If you are using SIMetrix/SIMPLIS, you need to enter the card number you have by clicking "New" in the card editor.
