The underwater world of Aquanox is beautifully transformed into a memorable soundtrack. The Synthwave Ambient soundtrack includes unique aquatic elements, lymbic sequences, powerful FX, lush harmonies, pads, and a catchy 80's dance beat. It feels as if you are diving to an underwater world with eternal beauty and mysterious creatures just waiting to be explored and discovered. Key features: -2 unique locations, each with a 20-minute depth-variation -Dynamic water physics-based gameplay, allowing you to change the depth of the environment by simply diving or ascending -Sneaky undersea creatures are waiting for your approach. Explore and be prepared to release everything you find -Collect and share your digital record of your search and discoveries. Your friends will be left in the dust -Escape from the "bog where time is not and logic is broken". Run from the danger from the depths. There is life down there! -Loot, dig, and explore around for two unique objects: the "Key of Aquanox", an ancient artifact and the "Zephyr", the legendary nautilus. -Amazing music designed for underwater diving. Get to the surface victorious and ready for the real deal! -In addition, there is the "SOUNDCLIP" unlocked for every finished level, giving access to unseen 15-minute underwater sequences. -Detailed graphics - there is a total of 9 graphic scenes and 4 underwater zones. -An extensive game-guide, much more than 30 pages with detailed information on the game mechanics, hints, and video-walkthroughs. World. Dive. Discover. Share. Explore. Best Books to Write Short Stories If you're feeling stuck in your writing, or need inspiration for new ideas, the best thing you can do is get writing. Today I'm sharing what my go-to list of books to write short stories. What are the best books to write short stories? Short Stories can be the hardest thing to write, especially if you're not used to it. But the great thing about short stories is that they require a lot less work, especially compared to writing a novel. Short stories can include anywhere from 3,000 words to 90,000 words, depending on the style of writing you're working with. These three books are my favourite for short stories and the way they set up the stories are great for writing a variety of different kinds of stories. I like to read them because it takes me away to a place in the mind I might not find in other books. They each have something different to offer you if you're writing short stories. Now what are some books I like to write my own short stories from? They are: Freak the Mighty This book is a collection of true

stories from the 'Freak the Mighty' podcast. I find it much easier to write from their list of stories. It's a nice mix of fiction and non-fiction and it doesn't have any writing in it. You can download it on Kindle, for free. Once you've got it, I suggest you check out their podcast to get some tips from the pros, as well as listen to some of their stories. The second book is by Jay Lake and is titled "The Last Day on Earth." It's a novel about a vampire who has become trapped in a kind of purgatory with a
