Discover the darkest pages of the Revolution. It's your choice: From Monastery to Mine, Graveyard to Recovery Station, play a unique role in the Revolution and restore freedom to the masses! Become a weapon-bearing knight, a vile bloodsucker, or a hardworking miner. Reform and perfect the science of Withering to beat the hordes of undead and wizards in battle. Train skilled peasants, find new recipes, repair buildings, dig tunnels and create powerful allies. Fight in hordes of up to 500 enemies at a time! Take the role of a victorious commander in the final battle. Discover the dark history of the Revolution. Wield over 20 unique weapons against the terrifying hordes of witches, vampires, and nightmarish abominations. The world of Revolution: New in Town! Robots are a hot commodity in the Revolution. They can hunt down and wipe out the undead, provide security, construct things, and even serve as a form of transportation. As the world is under attack, the main premise of Revolution is to survive. For this, you need to craft the best weapons. If you haven't already, destroy items and acquire new ones. For example, you can get a new shovel from a broken one. New technologies and materials will make everything easier to obtain. Discover up to eight different

houses with their own weapons, items and villagers. Each character will have their own traits and motivations. They can also help or hinder your quests. Build and decorate your own House of Refuge in the town of Liberty! Liberty was a quiet, peaceful town at the time of the Great Blast, with a big production of sugar, wool, and cheese. The Great Blast destroyed almost everything in the village. A vampire terrorized the people and a great earthquake shook their peace. A stranger showed up. He was helpful and took care of the survivors until he disappeared. Now it's your turn to protect the villagers in their time of need. You must provide them with protection from vampires, witches, thieves, brigands, and the Inquisition... Learn to control the element of Withering, the arcane force that is the main source of magic in the world of Revolution. Protect your Sanctuary from the hordes of zombie villagers. Earn a new spell to turn them away from your Sanctuary. Revolution is the first person-driven dark fantasy RPG in an all-new genre. It's a unique mix c9d1549cdd
