## **Model versus Reality**

The programmers to create the game made sure that the characters and world of the game matched the attributes of Mythgard and the imagination of a myth. You can at once freely explore and manipulate a world that does not resemble the world of fact, creating the wildest world. • Harmonized Beauties Assemble a Great World! Take a trip through the world of Elden Ring, delving into an unknown and fantastic world. Beautiful women representing aspects of myths of Mythgard, drawn from various mythological tales, are generated on the stages of the title. Place them in cityscapes and towns that you created in the game to enjoy their dramatically orchestrated movement.

### ■ Animals and Plants

You can create your own pet and plant and befriend animals and plants with affection, each of which bring unique benefits.

### ■ Costumes

Create your own costume, which is composed of 100 combinations of the clothes of a variety of character classes and which will result in a unique appearance. The costume in the game is the extent of the “Character Customization”, which is expressed as the customization of character, not simply clothes.

### ■ Artistic Style

Transpose the character class combos and create the look of a unique boss character. The variety of style you can include in the character class combinations is boundless. When you create a character, you can freely customize the head, face, and body style, and you can discover the incredible freedom of expression.

Basic Information Platform: Nintendo Switch (version 4.1 or newer) Release date: 2018-09-12 Language: English Developer: Cygames Co., Ltd. Producer: Shosuke Sato Publisher: Nintendo Price: \$59.99 eSRT (Eidetic STrategy) Points: ( This is calculated depending on the platform the game is released on) Switch eSRT: 15 3DS eSRT: 11.5 PS4 eSRT: 11 Xbox One eSRT: 11 About the Japanese version In the eSRT charts above, we count the Japanese version of the game, since it doesn't always follow the same rules as overseas releases. The eSRT are measured on a scale from 1 to 100, with 1 being the minimum amount of points you need to complete a game. The points you need to complete a game increases as the difficulty of the game is raised. A game that you finish with 30 points or less is classified as “easy”. On the other hand, games with 50 or more points are classified as “hard”. With the Japanese version, eSRT is measured from the standard point system, which is 15 for the Switch version, 11.5 for the 3DS version, 11 for the PS4 version, and 11 for the Xbox One version.
