FIFA is the world's favorite football game, with over 130 million players worldwide! Find out more on FIFA.com. FIFA continues to showcase its community-driven approach to football with the return of popular game modes such as Ultimate Team™ and Player Create™. Players can now make the most of the unique new features available in FIFA 22, including free kicks, dribbles, and ball control, as well as touchline diving, VAR and an all-new passing system. Become a world-class soccer player with FIFA Ultimate Team™, now in its 21st year. Combine the skills and attributes of current and former world-class footballers with your favourite FIFA team to create your perfect virtual lineup - and compete for bragging rights in online matches, in-game challenges and even the new World Class Victory Events. FIFA Ultimate Team is back in FIFA 22, bigger, better and with a packed, all-new set of features. With four new Team of the Year modes including the new Pro & Amateur Draft, teams around the world compete to build their dream line-up. And for the first time, FIFA 22 will feature an All-New TOTY Draft where one player will be chosen at random from the game's Global All-Star team to become the ultimate TOTY. Nations can compete for the chance to win big money on the UEFA Nations League™ and other special events, and with game modes like Squad Battles, Int'l Friendlies, Escalation, and more, FIFA 22 will offer more content for fans than ever. Inspired by the real-world story of women's soccer, FIFA Women's World Cup™ mode will let fans step into the shoes of the best female players in the world as they compete for the International Women's Cup™. Every game is action-packed with drama and unpredictability as players battle it out for the highest honours. FIFA 22 includes a broad variety of women's international matches and challenges,

ranging from traditional friendlies, through to a Cup of Nations tournament. The Ultimate Team can also be expanded to include women's players, who now join the likes of Germany's Pernille Harder, Brazil's Cristiane, and Welsh star Lisa Evans. FIFA Ultimate Team has always been a cornerstone of FIFA and FIFA 22 makes some significant improvements to the core mode. Each player on your team
