Cabal Ph Wall Hack Version 2.0.rarWe are nearing the end of the first semester. With that being said, I would like to see more interaction with the students. Students have a right to know what is being taught. This will help them do their part in learning instead of confusing them. No one wants to make a mistake, and if we make a mistake or waste a student's time we should be met with strict consequences. This will motivate them to learn more and push them to succeed. I would like to see a better interaction with the students. We know we are so busy at school that it is hard to find the time to talk to our students. Students need to know that their teachers care about them and we are just as busy as they are. I am confident in myself and my staff but I cannot be their friend if I am not feeling comfortable enough to be one with them. I want to see a better academic atmosphere. We all want to do our best but sometimes the expectations are not set out properly or sometimes the expectations are not met. If we do not have an even playing field then how can we expect the students to play fair? I want to see a better learning environment in the classroom. This way students will want to come to our class because they want to learn. When students want to learn it shows they care about something. I want to see a better relationship with the
