USB Type C 10 In 1 Hub USB-C to HDMI/VGA/Card Reader/RJ45/PD Adapter. Uwe Seemann, currently 33, is an early pioneer in the World of Warcraft Trading Card Game (i.e. Magic: the Gathering). He was a judge for both the World Championships of Magic: the Gathering and World Championship of Trading Card Games. He also ran the L5R Competitive Rules Committee for a number of years. He is known for his contributions to both Magic and Yu-Gi-Oh! TCG. Uwe has had a passion for Magic from a young age, and has been active in the game for over fifteen years now. He also played in the very first US Grand Prix and

regularly attends the Pro Tour. He was very active in the Magic Player's Association (MPA) since 2004 and was part of a secret league of players in Florida. Uwe has also been a longtime contributor to the Yu-Gi-Oh! TCG, and has had an active role in the community for close to ten years. He has contributed to numerous articles and podcasts on the game, written several books, run the only Yu-Gi-Oh! Game Day, been a judge at a number of Yu-Gi-Oh! World Championships, and run the most prominent and longest running Yu-Gi-Oh! competitive rules committee ever. Having been a part of so much of the Magic community, and a major contributor to the Yu-Gi-Oh! community, Uwe has a pretty unique perspective on the two games. He kindly agreed to a short Q&A and answered some of our readers questions: 1) What do you think of the state of Magic: the Gathering and its community today? Is it as good as it was when you first started playing?
