- Once you join the game, you'll start with a pet - a Buddinpal. - While you play mini games and feed your Buddinpal, you'll gain XP and level up. - Depending on what you do, your Buddinpal will evolve, learn new abilities and change in appearance. - Learn more about your Buddinpal and what you do through the in-game "toy". - Create lots of gameplay content with a variety of toy add-ons you can buy from the store. - Participate in

events to unlock specific Buddinpal's stats. - Once you reach level 5, you can unlock a "Premium Buddy". - You can evolve your Buddinpal to the next level by playing minigames. - Once you reach level 15, you can evolve your Buddinpal to the next level by playing minigames. - Now that you have leveled up your Buddy to the next level, you can raise him or her to become a spirit pet. - A Spirit Buddy has different abilities and even spells. - When you invite your friends to join your game, they can become Spirit Pets. - They can be as simple as a "Fool" or a "Cupid" or "Mars" or "Aldebaran" or as complex as the Buddinpal's Spirit Pet. - Each Buddy changes color each day. - Buddy Coloring occurs every night. - You can feed your Buddy to level up your current Buddy. - When level 15 is reached, all Spirit Pets look identical, and only "unlock" new abilities. - There are 30 kinds of Buddinpals, but only 15 of those are available in the game. - The Buddy you want to unlock is determined by your game progress. - Once your Buddy's Unlock conditions are satisfied, you can go and feed the Buddy a different "pet" to level it up. After placing your order,

the default activation window will appear.

You can either register using your Microsoft ID or create a new account. In order to use the "Find a Friend" feature for this game, you will need to have a web browser enabled. Simply add the publisher's website to your RSS feeds. Your friends will get notified once you're online. You may update your order and checkout at any time. Features Key:

Discover a haunted underbelly of London.
Explore a whole other side of the Watchmen.
Uncover the secrets of the island.
Discover the other side to the chaos of the cult game.

This is one of those rare, unmissable games. Art direction is beautiful, the gameplay is great, and the story draws you in. I can't actually think of a reason you wouldn't wanna give this a try. Well done Double Fine.
