Dont buy RAD Studio delphi xe 4! You may not know this, but Embarcadero's RAD Studio is completely identical to Delphi, except it doesnt support Visual Basic. So no Visual Basic Code, no VB Component support, no Windowing library, no compiler overhead, no support for Windows Forms, not even OLE Automation. So if you want to do Windows Forms programming, use Delphi. For all other programming and general coding, use Delphi. The following is an example: function GetString(const sText: string): string; begin result := sText; end; function LoadPicture(const sFile: string): TPicture; begin result := TPicture.Create; result.LoadPicture(sFile); end; var f: TextFile; begin

sizeKeystone State Bank in Blakesburg, Wis., CEO Scott Bacheldor and his wife, Cindy, own a 3,000-acre Wisconsin farm and operate a clothing store in Townsend, Wis., in this 2010 file photo. A recession-era computer glitch led to nearly \$600,000 in errors. Bacheldor discovered the error in March and went public about it on the bank's Facebook page in June. The error has been fixed.

By Charlyne Stuart and Paul Bass | Star Tribune  
BLAKESBURG, Wis. — Scott and Cindy Bacheldor's farm in Slinger, Wis., is a favorite place for visitors, especially at holiday times. When they opened their clothing store in town two years ago, they said they were getting a wider base of customers, too. And though the popularity of the farm and the store — they make bed sheets, clothing and other items — has helped them expand their business, the Bacheldors also have seen the effects of a recession in the marketplace, and its side effects.

Last year their farm and store profits fell 17 percent and their financial losses more than doubled, to \$565,000
