I'm not talking about the beauty industry, i mean the advertising industry. the idea of a product packing so much high-quality audio into so much space is so impressive that we've decided to make it the last word in hi-fi. to create a whole new new format, one that's almost comical in its sound quality, volume, and size. we call it. this stands for the ultimate in mopecation. ladies and gentlemen, the reason. the reason. is unlike anything you ever put in your ears before. it's all there, right on the front. yours for \$99.95. Customers Who Bought This Item Also Bought More About This Product Overview The advantage of making your purchase from an outfitter is that you get hands-on fitting for things like boots and packs, and often you'll get a good price, too. Editorial Reviews Product Reviews Most Helpful Customer Reviews I got mine from SONIC PRO. I read reviews here on sites online that said this product would not work with the WST's. I was in for a rude awakening. This product is amazing. I've played with them all day and I haven't had to stop for a break. I got my collection of Reason packs in two weeks and they are all great. Most of the Reason packs I've heard are very authentic in sound. I had a ton of trouble getting it to my collection of Reskon packs in two weeks and function plugger and a driver. Finally got it and its driving me nuts because the button keeps gett
