Contact Business Locations Archive for June, 2013 I am against most gun control laws. However, the GOP is very good at passing laws to restrict the average person's freedom to express themselves. I've written so many posts on these items, I'm going to start naming them. This is a very good one. The Fourth Amendment... President Obama was at a fundraiser Tuesday night. He threw out the line, "Our democracy is up for grabs." Someone stood up and said, "What do you mean up for grabs, Mr. President? We are Americans. We value what this country stands for." He walked off stage and said, "Obama for America, this is Chicago." I think he was so sorry, he wanted to get home to see his Chicago. He doesn't care about the true Chicago. The acquisition of objects, abilities and behaviors: motor and cognitive action patterns in the acquisition of a skill. The acquisition of a spatial skill was studied in two experiments. In Experiment 1, children's ability to use toys to gain different types of information was investigated. Children were given a choice between two activities in the acquisition of a skill, for example, a task using a toy and a task using a real object (Experiment 1); or choosing between a task using a toy and a task using a
