Inspired by The Dunwich Horror and Arkham Horror, Call of Cthulhu is an award-winning tabletop roleplaying game about investigating strange happenings, delving into mythology, and facing down cosmic horror. Discover mystery and terror in the place where the world began. Key Features: - Howl of the cthulhu includes a Lovecraftian Sourcebook with details on the eldritch and bizarre world of the Cthulhu Mythos. - The Lovecraftian Sourcebook provides information on the horrific inhabitants, the antiquities and dark history of New York City. The grimoires that feature in the City have been spread across the world and the City is replete with ancient lore of abominations like the Great Old Ones that lie at the very heart of the Mythos. - The Cthulhu Mythos Bestiary features the chilling, mighty, and grotesque monsters of the Cthulhu Mythos; including an entire generation of Unspeakable Cults, spirits of the deep, and more. - A rich, noir-infused world is filled with occultists, arcane experiments, and nameless minions dedicated to seeking out the eldritch. The Dunwich Horror: In the late nineteenth century, the world was shaken by a series of strange happenings that occurred on a lonely stretch of land known as Dunwich. For centuries the village had been a remote place, forgotten by the world. But in 1899, it was heard from again – by all of Dunwich. The villagers reported that a series of unexplainable and unearthly deaths occurred in the village over the course of four or five nights. Like clockwork, every so often, a woman would die in a terrible fashion. A screaming, bloody death – something neither natural, nor man-made. Something that transcended the boundaries of the world. The town was shaken with fear and the center of the village was warded off with guards. The news and rumors spread to the other nearby towns. Stories about a monster that stalked the countryside, killing every few nights, continued to spread. The rumors and the fears gripped the minds of men and women alike. The entire countryside was in a frenzy. One night it was reported that the Thing had broken into a nearby house and massacred the entire family inside. The next day, a series of strange deaths occurred outside of Dunwich, and still the rumors spread. Everyone had seen something, and everyone was on edge. The rumor soon turned into truth and Dunwich was the center of a region-
