Tarnished is a fantasy action RPG in which you explore a vast world full of excitement in which a modern fantasy is blended with online elements. As you play, you can create a character and develop its unique play style, and there is also an element that allows you to forge bonds with others in the game. Set in the Lands Between, a land in which the Land of the Gods and the Land of the Dead intersect, the game features three distinct story lines, each with its own style and tone. ◆ What is it like to play the game? 1) Tarnished is an action RPG that casts players as a character they can freely develop. Being able to freely develop your character is something only a fantasy game can provide, but Tarnished also supports online elements, allowing you to be drawn into a fantasy drama full of emotion with people all over the world. 2) Explore a vast world and engage in online play. Tarnished is set in a vast world, stretching from middle school to all the way to adulthood, in which open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. 3) Player interaction is large-scale. In Tarnished, you can freely enter a dungeon where the horror of the dungeon floors and the monster cries at night overlap, where you will meet with a character you have developed and care about. Tarnished has a new action RPG that casts you as a character you can freely develop. • Tarnished Features an Action RPG that Casts You as a Freely Developing Character: - A fantasy game set in a vast world. - You can freely build a character in a fantasy game that is full of charm

and emotion. - Tarnished is an action game where you can freely build a character. • Action RPG Tales That Powerfully Impress Friends and Enthusiasts: - Unique character building mechanics that allow for a wide variety of customization. - User-friendly skills that effectively convey the character's personality and play style. - Beautiful visuals and even more impressive story quality that will leave you stunned. - A huge world that attracts fans and lovers of the fantasy genre. Tarnished is now a free game! With the game being completely free to play, it will be a game you can experience anywhere. ◆ Features 1) A New Action RPG that Casts You as a Freely Developing Character:

Q: Strings and IDs in an XSD Is it possible to create an XSD for a schema that has both strings and IDs? For example: Can I define a string and an ID for this? If so, can someone provide an example? A: Is it possible to create an XSD for a schema that has both strings and IDs? No. Can I define a string and an ID for this? No. If you want

those items to be unique, then you have to ensure the Id is unique within that declaration. If you want a string and an Id, you can use a union type. Q: Android content provider is not opening content provider I am not able to open content provider from another application using following code: String uriString = "content://diy.dg.com/v2/app1/apps/diy.dg.com/"; Uri uri = Uri.parse(uriString); Intent intent = new Intent(Intent.ACTION_VIEW, uri); startActivity(intent); I tried many combinations of package names but it is not opening.
