### Fifa 22 Features Key:

- FIFA Ultimate Team, developed from the ground up from the course of the new FIFA 22 engine, is a completely new mode of play, offering more ways for you to perform by opening up the full gameplay potential of FUT Ultimate Edition.
- For the first time, all FUT Ultimate Edition content is downloadable, giving you instant access to more than 18 years of customisation options.
- FUT’s cards, attacking tactics and stadiums, have been updated for FIFA 22, providing even greater authenticity and visual fidelity. New animations and graphics ensure that your FIFA Ultimate Team is ready for the world’s best.
- Features your favourite clubs like never before! PS3 features the largest collection of real-world teams, player data and kits ever.
- Pau Performers - Allegri, Gattuso, Hierro, Kante.

- 
- Ball Physics - EA has spent two years developing the FIFA 22 Control Methodology's new ball physics engine, to guarantee the ball feels real and true to players' instincts. In addition, the ball maintains space and cohesion, making it feel like you're playing with a sphere as opposed to a hard, foam football that gets slippery and light on its feet.

FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay. GAME MODES
