The new .Q: Does accessing a thread's stack via the thread id cause thread cache collisions? I'm trying to work out if threads in Java have a thread cache that can collide. Accessing the stack for a thread via it's unique id is my current approach - is this considered safe? A: You have two approaches, one is doing a sun.misc.Unsafe.getStackTrace() and the other one is of course debug it manually via Java debugger. What you need to check is the calling stack - it's identical for all threads, so you won't have any cache issues. improv4humans Season 3 of "IMPROV4humans" premieres on Comedy Central on Monday, September 15 at 11:30 p.m. ET. The first episode of the season features Jim Gaffigan, Ben Kronberg, and Matt Walsh in a special guest-star edition of "Dotson, Duncan," recorded live at the FOX Theatre in Los Angeles. A review on Vulture.com said "Gaffigan is an incredibly gifted entertainer — he's funny, likable and likably self-assured — but his overall persona and the brilliant improv that he does aside from hosting mean that he's never been one of my favorites on this series." This week, Jim Gaffigan, who is also the co-host of the CBS show "The Jim Gaffigan Show" joins Bill to break down the notion of just letting people talk. Jim also discusses why his wife and he have been married for over 35 years. Plus, Matt Walsh and Ben Kronberg stop by to break down what it's like to play on Broadway. Jim Gaffigan will be taking part in an interview as a guest on this week's episode of the "The Jim Gaffigan Show," airing Thursday at 10 p.m. on CBS. On Thursday, Tuesday and Wednesday's "The Jim Gaffigan Show," Jim Gaffigan and his wife shared a very funny response to a "Jersey Shore" call. On Friday's "The Jim Gaffigan Show," a woman called into say she
