In this Japanese role-playing game (RPG), the main character is a man named Lech (Lechha) Das, who has been forgotten by the people after the girl he loves died. One day, Lech goes to the Cursed Lands to look for the girl he loved. During his journey, he meets a wolf-like girl and an evil cat-like girl, and falls in love with each one, as if he met them in a dream. The rest of the story is as follows. As Lech climbs higher and higher up the mountain, the more he explores the Lands Between and comes to know about the existence of the world, the deeper his bonds with the girls deepen. If you have any questions, please consult the FAQ at the end of this video. * The main character is a male. Therefore, the main female character is a female wolf-like girl named Chanchal. Elden Ring Features Key:

The Story of a Myth With a hybrid structure, the story of *An Oath's End* differs from a classic story. The myriad players will combine into an epic drama all at once.

Victor's Decision (Online) Online cooperative play will become a reality in *An Oath's End* as the affinity of each player becomes more widely connected.

Multiplayer Featuring Rich Presentation of Tarnished & Victor's Agency (Online) As online multiplayer gradually becomes reality in this game, players will be able to play with more people in the online dimension in a fully-fledged and easy way. Many features that were originally left out of the offline version will be included. Supported classes include warriors, magic users, rangers, and mages.

Further information:

An Oath's End is currently available for purchase on the Google Play Store (new compatibility in version 1.2.0), Amazon's application stores (Amazon.co.jp), and NiNALCO homepage.
