We have a requirement that data scientists should be able to write code to process data ----- Annatar Please stop that. It is not this interesting. It is a pandemic, a global catastrophe, it threatens all economies, and if you want to make this into a highly-profitable business, use your skills to help the world. If you want to be an airline pilot, you learn how the airline industry works. If you want to be a fireman, you learn how to fight fires. If you want to be the president, you learn how the government works. Don't be a damn data scientist. ~~~ suneilp So what exactly are you proposing? Help the world? Improve it? ~~~ Annatar 1) No - you need to help yourself, this is not a work-for-the-welfare-state system. We are on this planet to help ourselves and our family. 2) Look for things you can do to help, if you find yourself being a drone, _help them_. It's that simple. 3) If you find yourself getting paid, you're on the wrong side of the equation. \$10,000? Just use that to build a better you. ~~~ suneilp Oh, I get it. You're suggesting that there are things we can do with our skills that help people - not as a charity, but as a business? I think you are fantastic! That's a valid way to be in this world. What I'm trying to ask is: 1) How do you think you can improve this world? 2) What are the top-level skills you think you need to be able to change the world
