Check out our recommendations for this collection, hand-picked by our editors! Coronavirus and the #HighRiskCOVID19 disability community. We live in a pandemic era, and the coronavirus doesn't seem to be leaving anyone alone. Since the virus appeared in Wuhan, China last December, it has spread to many countries and continents. Let's not forget that it has killed thousands of people around the world. At this time, we can still see it spreading across the planet, taking over everyone. Of course, there are signs that the world will look better, but unfortunately, this will not happen for a long period of time.
