as the three kids head to the island to see what had happened to their father and the dinosaurs, they discover the island was once a dinosaur zoo, the dinosaurs have escaped and a new larger predator has been created by dr. ian malcolm (played by jeff goldblum), but this time it's made to survive in the modern world. jurassic world dominion is directed by colin trevorrow, who most recently directed the 2018 film, the book of henry. the film also stars jake johnson, laura dern, bd wong, and omar sy. universal pictures will release the sixth installment of jurassic park on june 1, 2022. there were numerous changes between this movie and the original film, and the reason behind these changes was due to the new predators that are created. this movie is currently schedule to be released in u.s on june 11, 2022, by universal pictures. despite the old cast returning, this is definitely a different kind of movie. i'm curious to see what they will do. the sixth installment of the jurassic park franchise is scheduled to be released on june 10, 2022. universal pictures has released the first teaser, as well as revealing the june release date. this is the first time that no actor or actress who has starred alongside chris pratt will appear alongside him again. this is a very interesting trailer to watch and see what the new monsters will look like. the first jurassic park also had tons of changes made in comparison to the original film, so i am excited to see what the new changes will be like. jurassic world: fallen kingdom. first and foremost, this is a sequel to the 2015 film. this means that the story will be the story of isla nublarc. james "indy" collier (now operating under the name of bryce dallas howard. with the exception of the first movie and jurassic world. the other parks are largely ignored in the opening half of the movie, and most of the third half focuses on the park itself. (can you say overkill?) the interiors of the parks' buildings are obviously more detailed, but the parks themselves appear to be held in a similar state of disrepair as in the first two films. however, when the mission is threatened to shut down the park, they quickly arrange to raise the alarms and retrieve the dinosaurs and other animals for future safety. 5ec8ef588b
