
Sengoku Basara 3 Utage English Patch Wii

the description of the game is as follows: bushi chingachou basara, a samurai's samurai, protect the shinkansen (train) and maintain peace in the country! the shinkansen (train) is always the lifeblood of japan. when a serious incident occurs, there is no alternative but to activate the basara mode, and use their samurai skills to protect the shinkansen! manage to make it through the battle and you'll be rewarded with the coveted chingachou badge! the main character of sengoku basara will appear for the first time in this game. sengoku basara is not a direct continuation of the previous games. instead it is designed as a new game from the beginning. the story of sengoku basara 3 takes place after the events of sengoku basara 2. we are taken back to the era of the oda clan and take the battle into a new dimension. the game plays like a remake of sengoku basara 2. sengoku basara moonlight party is a live action television drama that is based on the sengoku basara series. the series aired on the mainichi broadcasting system starting from july 12, 2012 and continued until september 30, 2012. it was later released on dvd in japan on february 23, 2012.[12] sengoku basara moonlight party is a live-action television drama that is based on the sengoku basara series. the series aired on the mainichi broadcasting system starting from july 12, 2012 and continued until september 30, 2012. it was later released on dvd in japan on february 23, 2012.[12]
