We are a professional education company with more than 16 years' experience on ICSE that would guide you with FREE SAMPLE INTRODUCTORY COST FOR OUR CLIENTS. "7 Wonders 2" is the sequel game of "7 Wonders" and on the way to a final. The Game "7 Wonders 2" is developed by Colavita Winery, and was published in English in the year 2007 by Alderac Entertainment Group. The game comes in an attractive case which displays the title of the game, as well as some other details and images that can assist the players in understanding the basics of the game. With the help of this case, the player would be able to quickly store the game into the hard drive after the purchase. The game seems to be quite interesting, especially for those of the generations who are much familiar with the classic game. And for those who have never played this classic game before, this would be a pleasant experience. This game seems 04aeff104c
