About SNRG The Society of Northrop Grumman Reconnaissance Group Inc., also known as SNRG, is a 501(c)(3) non-profit, non-partisan, non-government organization devoted to supporting intelligence and reconnaissance missions for the U.S. armed forces. SNRG was founded in 1980 to support the United States Air Force Space Command's Space Surveillance Network within the United States. It has since continued to support the U.S. Air Force. But, SNRG has developed into an organization that supports various U.S. military services and intelligence customers. SNRG was established to provide professional support to the U.S. Government at all times. It does that by conducting intelligence, reconnaissance, data collection, target engagement, and communications research. Its field operation covers the entire reconnaissance platform, from manned and unmanned aircraft to satellites, with a team of over 1,500 people.
