## System Requirements:

Windows 7/Vista/XP/2000 and Mac OS X 10.6 or later. We recommend using an internet browser that supports the "3D" feature of the Unity Web Player, like Chrome or Firefox. Other browsers are supported, however support might not be consistent across all browsers and on all operating systems. We recommend using a graphics card with Shader Model 3 support and 1GB of RAM or more. These screenshots are taken on a desktop PC with an Intel Core 2 Quad Q6600 and 8GB of RAM.
