Housefull 3 in Hindi full movie with all songs trailers with subtitle kannada.A vessel can include a hull having an interior and an exterior. A system for controlling a vessel can include one or more control devices, where each control device can be a user input device and/or an output device of the system. The control devices can be selected by a user based on the physical location of the user relative to the vessel. For example, the user may be seated inside a control module and/or instrumentation module, located above the hull, and using a user input device, can select a control device to be used on the hull. In some cases, the user may need to "re-position" the control device to operate it. Additionally, the control device may be located in a location where a user is positioned in a
